INNOVATION

THEME : Advances in Neurosciences

Dear Colleagues,

It gives us great pleasure to invite you to NeuroConnect 2026, the 4th annual academic conclave hosted by Jain Hospital & Neuro Centre. This year's meeting will bring together clinicians and researchers from across Delhi NCR on a common platform dedicated to Neurosciences.

The conference will focus on "Advances in Neurosciences", featuring eminent faculty sharing practical, evidence-based updates across neurological sciences. The scientific programme will spotlight recent advances and real-world challenges in neurology, neurosurgery, neurocritical care, neuroradiology, and mental health.

NeuroConnect 2026 will also offer excellent opportunities to reconnect with peers, foster collaborations, and interact informally over dinner in an enriching atmosphere. We look forward to your participation in making this edition of NeuroConnect truly memorable.

ADVANCES IN NEUROSCIENCES

Patron

Dr. K S Anand

Organising Chairpersons

Dr. Aditya K Gupta

Dr. Sumit Kumar Rabi

Organising Secretaries

Dr. Rahul Jain

Dr. Sahil Gupta

Dr. Himanshu Shakya

Dr. Pankaj Jha

TENTATIVE SCIENTIFIC PROGRAMME

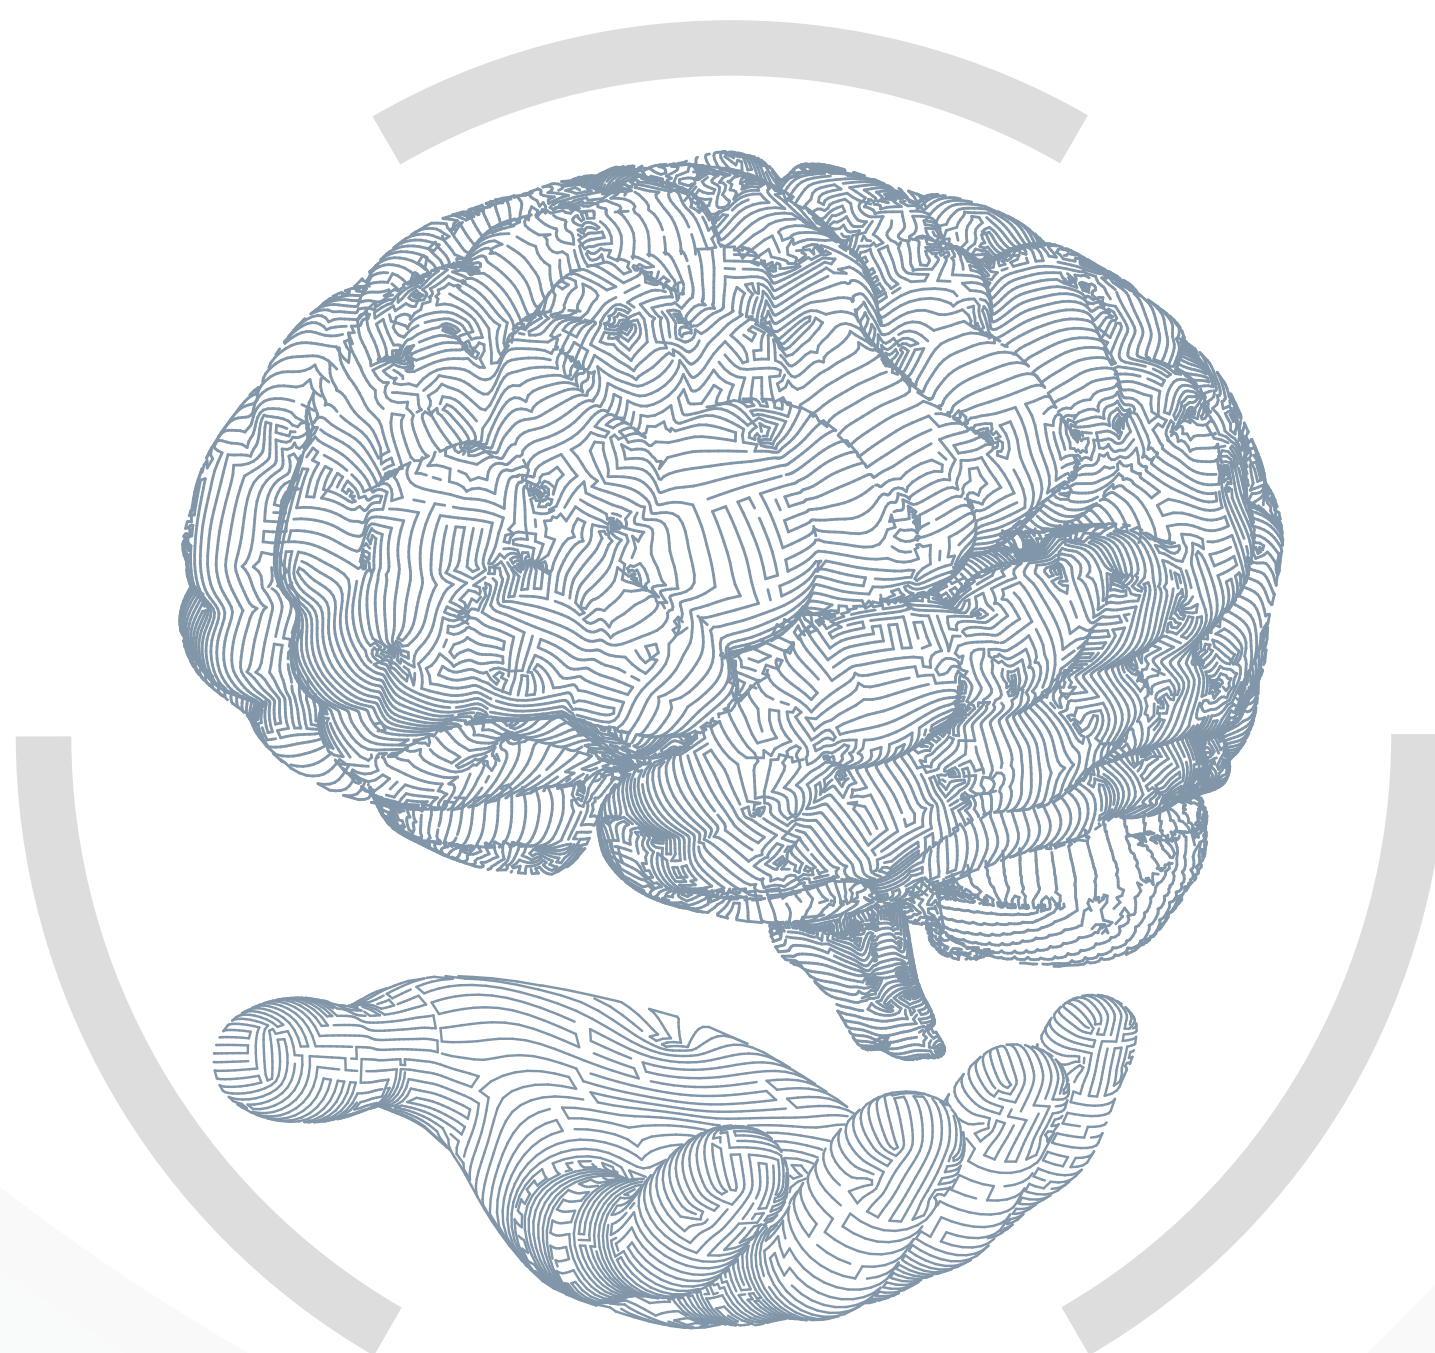

Time	Session	Speakers
	Quiz	
3:00pm to 5:00pm	Neurology Quiz-Preliminary Round	Dr. Ashwin Kumar Panda
5:00pm to 5:30pm	Hi Tea	
	E - Poster	
	E - Poster - Walk through the posters.	Moderators - Dr. Shikha Priya, Dr. Rahul Agarwal Dr. Himanshu Shakya Jury - Dr. Jyoti Garg
	Neuroradiology	
5:30pm to 5:45pm	Interventional Neuroradiology for the Neurologist - When Imaging Leads to Action (12 Min), Q & A (3 Min)	Dr. Vinay Goyal
	Neurosurgery	
5:45pm to 6:00pm	To Refer or Not to Refer: A Neurosurgeon's Guide for Neurologists, (12 Min), Q & A (3 Min)	Dr. Rahul Gupta
	Movement Disorders	
6:00pm to 6:15pm	Current Parkinsons Disease Landscape & Transition to Experimental Therapies, (12 Min), Q & A (3 Min)	Session Moderator - Dr. A. Elaverasi Dr. Harini Sarva (International Speaker)
	Panel Discussion - Stroke	
6:15pm to 6:40pm	What Would You Do? Real-World Stroke Decision Making : Panel Discussion (25 Min)	Moderator - Dr. Shikha Priya Expert Panelists - Dr. Rajesh Kumar Singh Dr. Deepti Vibha, Dr. Abhishek Anand Dr. Vinit Banga

TENTATIVE SCIENTIFIC PROGRAMME

Time	Session	Speakers
6:40pm to 6:50pm	Lamp Lighting	
6:50pm to 7:05pm	Oration Dr. Anil Jain Oration	
7:05pm to 7:30pm	Neuro Immunology - Debate The Great B Cell Debate : Ocrelizumab vs Rituximab (10 Min + 10 Min), Jury (5 Min)	For Ocrelizumab - Dr. Kamakshi Dhamija For Rituximab - Dr. Manish Mahajan Jury - Dr. Anshu Rohatgi, Dr. B. K. Bajaj
7:30pm to 8:00pm	Panel Discussion - Headache Conquering Complex Headaches : An Expert Panel Discussion (30 Min)	Moderator - Dr. Arnesh Bhattacharya Expert Panelists - Dr. Debashish Chowdhary (Head) Dr. Ashish K. Duggal, Dr. Akhil Sahib Dr. Vaibhav Deorari, Dr. Astha Bansal
8:00pm to 8:15pm	Key Note Session TBD	Dr. Manjari Tripathi (Key Note Speaker)
8:15pm to 8:50pm	Quiz Final Dr. Anil Jain Memorial Neuro Quiz - Final	Dr. Ashwin Kumar Panda
8:50pm to 9:00pm	Ceremony Valedictory Function & Award Distribution	
9:00pm	Dinner	

Advances in Neurosciences

CALL FOR ABSTRACT SUBMISSION

Exciting cash prizes for selected best papers,
Oral presentation opportunity & certificates for all participants

Deadline Extended – 31th July 2026

177 – 178, Jagriti Enclave, Vikas Marg Extn., Delhi – 110092

SUBMISSION THEMES

Stroke

Headache

Neurocritical
Care

Neuroimmunology

Epilepsy

NeuroConnect is Organized in Memory of:

Dr. Anil Jain (1961–2018)

Renowned Neurologist

MD (Medicine) & DM (Neurology)
King George's Medical College, Lucknow
Batch of 1978

Founder of Jain Neuro Center (1994)
Founder Director, Jain Hospital

Known for his humility, his ability to
make friends and passion for music

NeuroConnect is Sponsored by

JAIN HOSPITAL

25+ years of uncompromising care

JAIN HOSPITAL

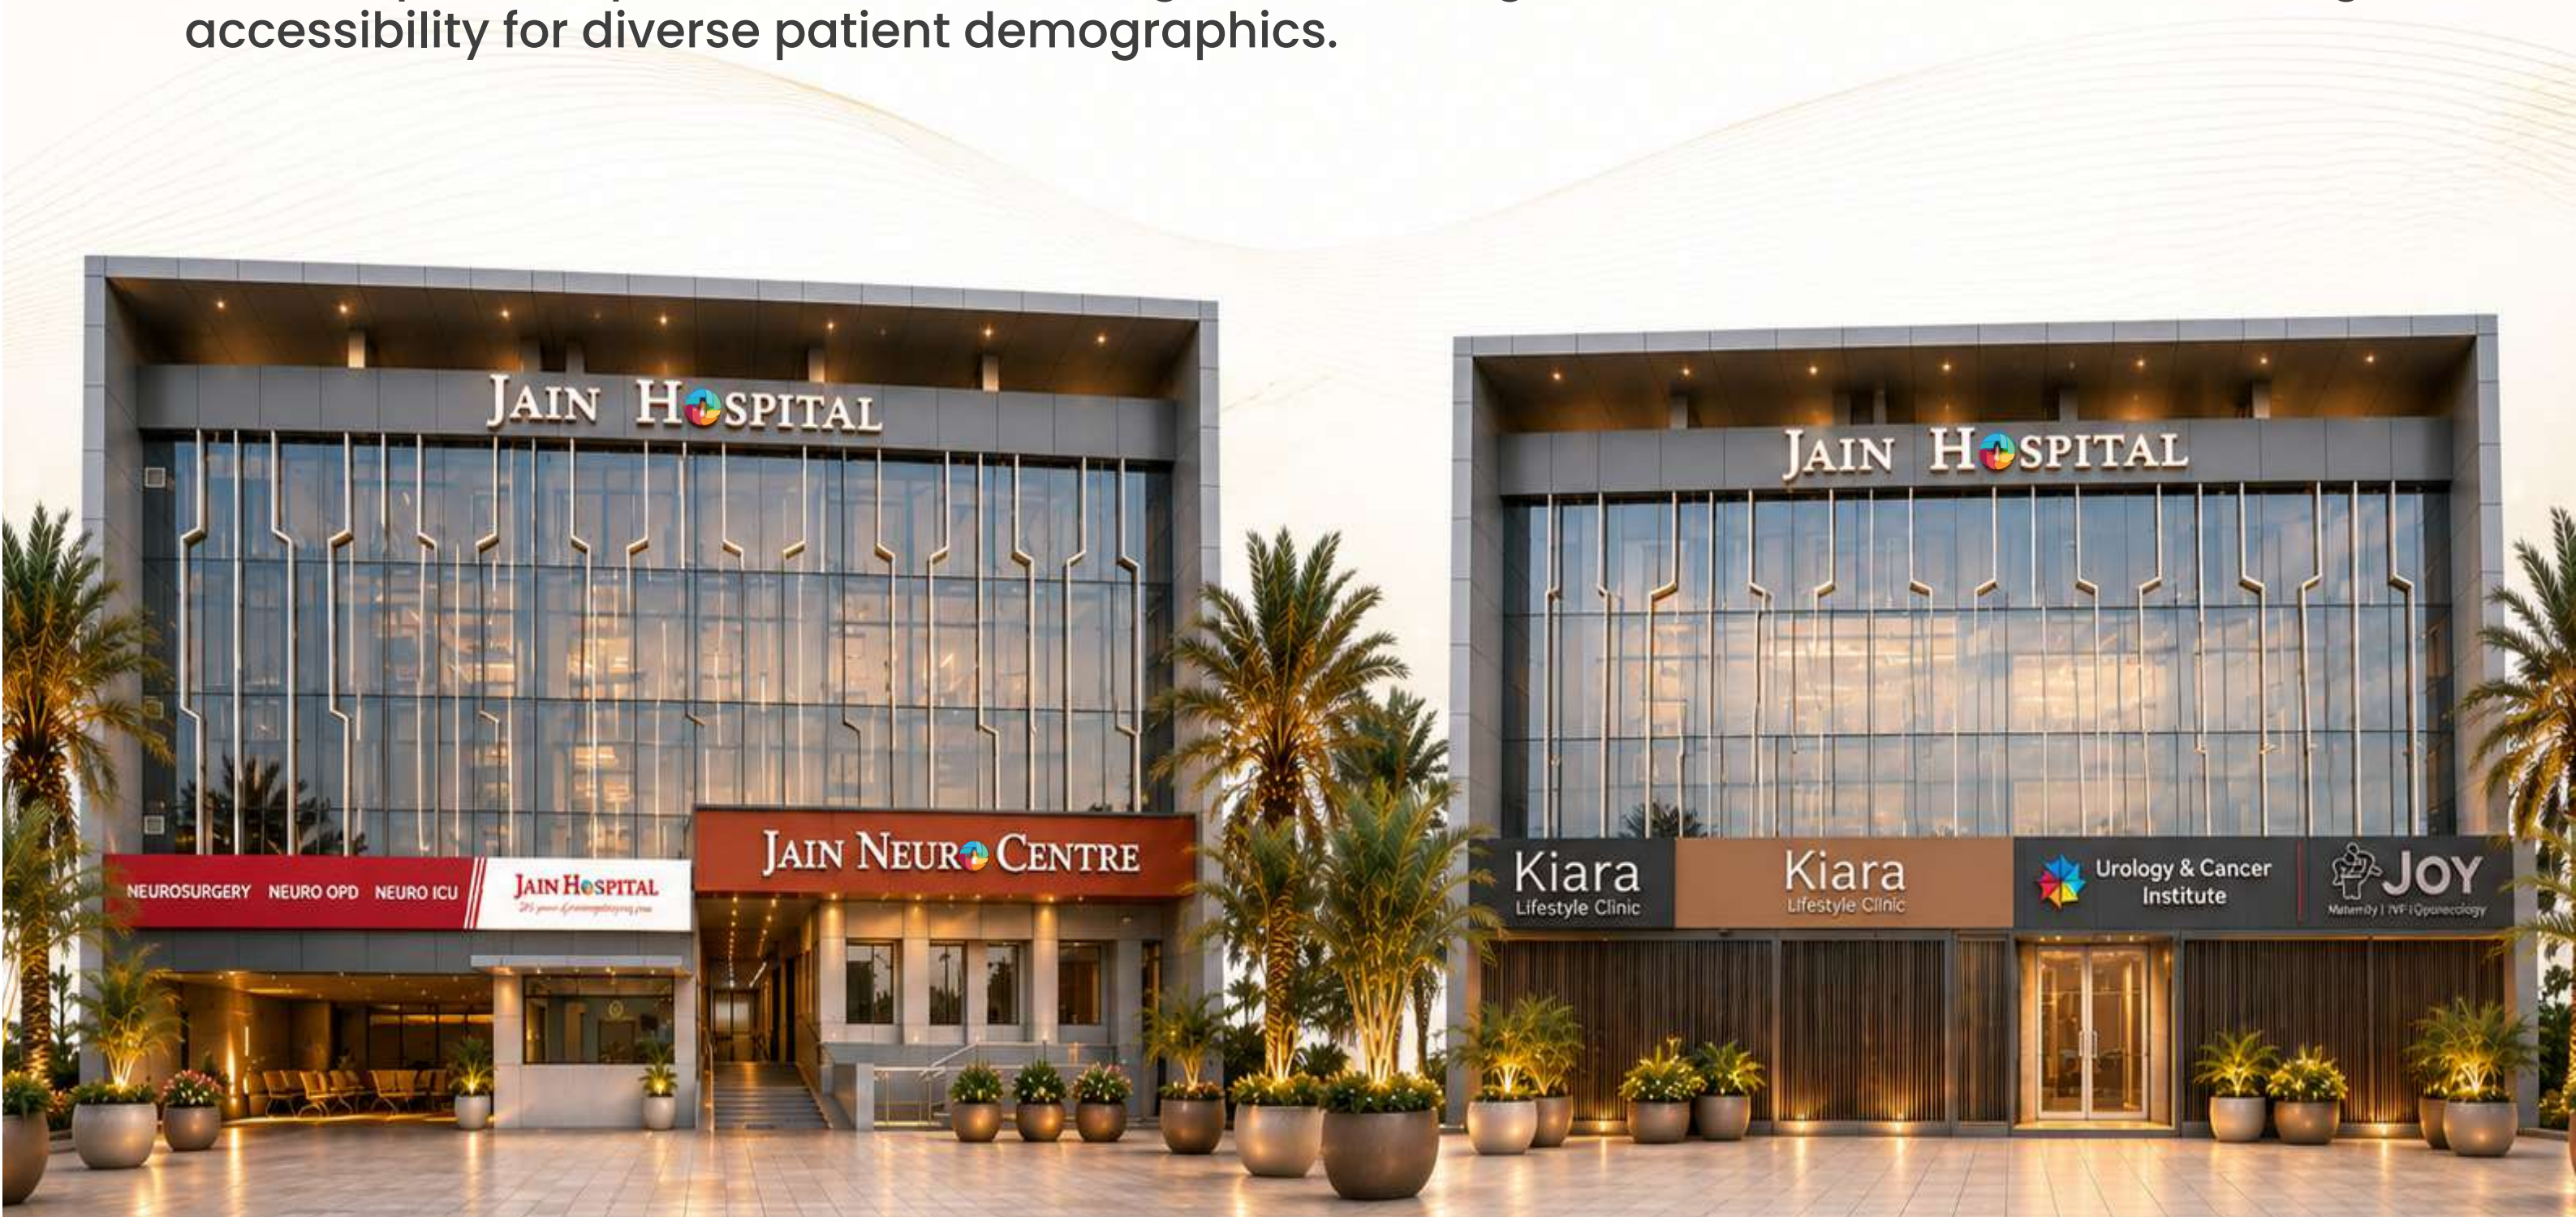

25+ years of uncompromising care

About Jain Hospital

Jain Neuro & IVF Hospitals Pvt Ltd, founded in 1994 by Dr. Anil Kumar Jain and Dr. Sangeeta Jain, and has evolved from a modest 5-bed facility into a sophisticated 50-bed, QAI-accredited super-specialty institution in Delhi NCR. The hospital operates across multiple modern blocks at Vikas Marg Extension, featuring newly renovated wings for state-of-the-art services and patient comfort.

Facilities and Infrastructure

Jain Hospital now houses advanced infrastructure, including a 14-bed Neuro ICU, in-house CT and MRI capabilities, and modern, comfortable rooms for patients. The hospital is panelled with leading TPAs and government schemes, enhancing accessibility for diverse patient demographics.
